

# Rosales Chiropractic Clinic Corona Virus Announcement

We are closely monitoring recommendations and protocols established by the U.S. Centers for Disease Control and Prevention (CDC) and the World Health Organization (WHO), also our State of Texas and local Bexar County health departments. We will continue to communicate with you if our policy needs to be modified as the COVID-19 (Coronavirus) situations develop.

## **Policy**

As a precautionary measure, we have implemented and have increased hygiene routines, monitoring and operations protocols and are following clinic procedures outlined by healthcare organizations and leading authorities TCBE within the chiropractic profession.

## **Patient Support**

We recommend patients follow guidelines issued by the CDC, and if you are not feeling well, please take steps to safeguard yourself and others, routine hygienic measures is the best suggested practice for prevention of a virus like the coronavirus.

1. Have you recently felt feverish, had a cough or shortness of breath AND have a new rash over most of your body? YES NO
2. Have you recently felt feverish, had a cough or shortness of breath AND traveled outside of the US in the last 21 days? YES NO
3. Have you recently felt feverish, had a cough or shortness of breath AND recently been in contact with a person who may be sick with \*Coronavirus\*, Ebola, Measles, Middle East Respiratory Syndrome (MERS) or TB? YES NO

IF YOU ANSWER YES TO ANY OF THE ABOVE DO NOT COME IN, CALL US AT 210.674.2700 TO RESCHEDULE YOUR APPOINTMENT.

THANK YOU! DR. ROSALES
